FOWLER USD 225 VISION STATEMENT

Fowler School District will provide a personalized and rigorous education that creates opportunities to build foundational knowledge and demonstrate application in real life scenarios.

We believe that all students need to prepare for a future beyond high school, whether that is to attend a postsecondary four-year program, a two-year program, a vocational/industry trades program or entering into the workforce.

Fowler School District 225 will create experiences through our educational models that meet the standards of the Five “R”s as described in the KESA model: Relationships, Relevance, Responsive Culture, Rigor and Results. This will be accomplished through a variety of teaching strategies, including classroom instruction, simulation and real-life experiences beyond the schoolhouse doors.
