USD 312 MISSION STATEMENTS

Haven Grade School: To provide a "Haven for Learning" for all students. Parents, Students, and Staff will create a positive environment that will develop each child's personal and academic potential to become a responsible, productive citizen.

Haven Middle School: We at Haven Middle School believe that students need to master and integrate math, communications, social studies, science, and fine arts, and are then encouraged to explore other areas. We also believe that responsibility and good attendance are necessary life skills and along with these subjects, will be the main focus of Haven Middle School.

Haven High School: To provide a "Haven for Learning" for all students. Parents, Students, and Staff will create a positive environment that will develop each child's personal and academic potential to become a responsible, productive citizen.

Yoder Charter School: To teach our students how to learn, producing responsible citizens who will be lifelong learners.

Haven Virtual Academy: We believe that a collaborative relationship between the family and school is essential for student success. Family participation, as a fundamental support system, is essential. Communication between school and family is a top priority.
