USD 217 VISION STATEMENTS:

Realizing that students will have multiple careers in fields not even imagined yet, the vision at USD 217 is to provide Relationships that encourage Opportunities for Learning and Lasting Achievements. (ROLLA) in order to prepare them for success in an ever-changing world.

As a Gemini I redesign school, our new philosophy combines habits of success with each content area to support student learning. With the decline in resources and the need for support to ensure opportunities for success in postsecondary training, we have embraced a new school structure for the needs of 21st century students. It encourages student directed learning, a focus on cognitive skills, as well as a mentoring component to keep students on track.

Our goal is to help students gain the skills, knowledge, and habits to succeed. When students harness the power within themselves, there's no limit to what they can achieve.
