DISTRICT HIGHLIGHTS

A student body, traditionally around 200 students Pre-K – 12, provides small classes for academics with a student to teacher ratio of 8:1.

Activities help round out our students. At Burrton, students have the opportunity to be a part of everything! We partner with our Burrton Recreation Commission to offer youth sports for our elementary students, and MS/HS students can participate in sports, fine arts, and leadership clubs to help round out their life experiences.

One of the major benefits of a small school district is the opportunity to develop well-rounded citizens. In 2015 a bond issue was passed to update the track, restrooms, HVAC, and other updates.

OUR SCHOOL COMMUNITY

Burrton is a small, 1-A school district located in south central Kansas. We are a short hop away from Hutchinson, Newton, McPherson, and Wichita. We have the small-town community that so many are looking for, with the conveniences of larger communities just a short drive away.
